Split Enrolment

A student may apply to combine their studies at two eligible institutions by completing a Split Enrolment form from the Office of the Registrar. When applying for financial aid with split enrolment, the student will need to identify which institution is their 'home institution' and which is their 'visiting institution.' The home institution is the institution in which the student has been or is currently enrolled in the most courses, or where the student is completing a degree. The visiting institution is typically where a student is completing a few courses which they intend to transfer back to the home institution upon completion.

An authorized signature is required by the Financial Aid administrators of both institutions.

Deadline for Application:

In order to ensure funding will arrive in time for the beginning of the semester, applications for financial aid should be submitted at least one month prior to the start of classes. All applications must be submitted no later than 6 weeks prior to the term end date.
